

**29th ANNUAL  
READING BASEBALL MINI-SCHOOL  
FOR AGES 6 - 13  
SATURDAY, MARCH 10 and SUNDAY, MARCH 11  
at HAWKES FIELD HOUSE, READING HIGH SCHOOL**

The *Reading Baseball School* will once again conduct its annual Mini-School on Saturday, March 10 and Sunday, March 11 at the beautiful Hawkes Field House at Reading High School.

The purpose of the school is to provide young players of ages 6 to 13 an opportunity to learn baseball fundamentals and improve specific skills. Players will receive five hours of intensive instruction in the proper fundamentals of hitting, fielding, throwing, bunting, baserunning, pitching, catching, infield play, and outfield play. In addition, every player will be videotaped while hitting on Saturday and will view the tape, with a coach, on Sunday.

Players will be divided into small groups, by age and ability, to ensure individualized instruction. The drills presented are designed to help each youngster improve his/her skills and performance and to gain confidence. ***Our goal for the program is for each player to improve and to have fun.***

**This year we will increase the instruction by 25% to five full hours** as each session will now be divided into a 2.5-hour period on Saturday and a 2.5-hour period on Sunday. Players may choose to enroll in either Session A or Session B:

Session A: Sat., March 10 9:00 - 11:30 and Sun., March 11 9:00 - 11:30  
Session B: Sat., March 10 11:30 - 2:00 and Sun., March 11 11:30 - 2:00

***The Mini-School's director is Pete Moscariello, 33-year coach at Reading High School and the staff is the same group of coaches who has led the Reading High School Baseball teams to many years of success. At the school, players will do the same drills and learn the same fundamentals that we teach Reading High's players each spring. Former Reading Baseball School attendees have gone on to excellent careers at area high schools such as Reading, Stoneham, Wakefield, Melrose, Winchester, Burlington, Woburn, Lexington, Wilmington, Lynnfield, North Reading, Medford and others. Many have continued on to play college ball and some have even played professional ball! So join us and learn the same pitching, hitting, and defensive techniques as many of the area's most successful players!***

This is a terrific opportunity for young baseball players to receive expert training from an outstanding coaching staff in an excellent indoor facility, all at a modest cost. This is also a perfect time for players to sharpen their skills for the upcoming baseball season and to have a weekend of baseball fun. In twenty-eight previous years, the *Reading Baseball Mini-School* has been well-received, as thousands of youngsters have enjoyed the program. We hope that you will join us this year whether or not you have attended in the past.

You may register one or more players for either Session A or Session B by completing and mailing the attached form, as described below. *Enrollment is limited and we will notify you only if we **cannot** place you in the session you requested.* If you have any questions, please call Pete Moscariello at (781) 942-1362 or visit our website: [www.readingbaseballschoo.com](http://www.readingbaseballschoo.com)
